Dear Mick and all at The Anglia Classic Trials Club

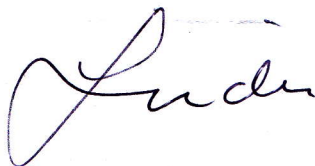

On behalf of the residents and staff, I would like to express our grateful thanks to you for your annual fund raising event, whereby you raised to date £938.80 towards our Summer House.

We are happy to announce that we have now raised sufficient funds and have ordered the summer house which should be with us by late July. We are still raising funds towards the flooring, lighting and furniture and money towards trips out for the residents.

Whilst writing I would like to take this opportunity of enclosing our Summer Fete poster which is being held on Sunday 24th June and one and all is very much invited to come and join in the fun. With the recent 'damp' weather we have had we are hoping that the weather will be much improved by then.

Thank you again, we are so very grateful to your continued support here at Seven Rivers.

Kind regards
