PLUMMERS PRATTLE

After the Summer break in which the club was represented at many shows by a good number of our enthusiastic club members we move into the autumn and winter, thanks to you all, you know who you are.

Going into September the phone calls and emails start to come from exciting, past and new members that have boosted the club membership up to over 140.

A good and productive committee meeting was held on the 22nd October with the main item on the agenda being the Thumper's. It was good to see John Beasley join us as Secretary of the Meeting for this event and thanks for taking this roll on. Mr T Smith has a working party at Thorrington on the 10th November from 9.00 -9.30am onwards all help I am sure will be well appreciated.

I am personally looking forward to the Thumper's on the 17th November but what a great day we all had at the Snaque Pit on the 20th. The venue was in prime condition with all the excellent sections being laid out testing but safe in all classes. Well done to Graham Braybrook and his team and a full complement of trusty observers to boot that we must thank as always. It was good to see the faces back again after the summer but also six new riding members that came from two families. One past member called Ray Humm joined, turned up and performed to a high standard, need to keep a eye on this name in the future as he climbs up the score sheets. He must be part of the works Newman Bultaco Team.

As I write this today (25/10/2019) I have the EFA ACU Licence individual code's needed to obtain your 2020 renewal which can be obtained from myself but not until after the 1st November as I have been treated to a trip in the sun for a few days by my young wife and wont be available.

See you all as riders on a British bike or supporters at the Thumpers on the 17th November.

Yours in sport, KP.

TIM'S TOURS

Rain Stopped Play [almost]

Mother nature wasn't kind so we reverted to plan B. Ted and Eade, Geoff and Daff, myself and Pam drove the route with four wheels and a hood. Leaving the Alma we proceeded via Layer, Abberton, Wigborough and crossed the reservoir where we had a short stop, there we saw a Heron standing motionless waiting for an unsuspecting fish to swim by. Continuing on we drove through Layer Marney, Layer Breton, finally stopping at Wilkins Jam Factory where we met Roger and Heather. We visited the Museum but decided not to have afternoon tea as this would have endured a long wait in a queue of people *(was it 'jam packed?' as commented by Phil Smith….)* Roger suggested Tom's tearoom at Great Totham.

It wasn't an ideal day but we enjoyed each others company and made the best of the bad weather.

That concluded our programme for the year.

Remember you lot if any of you have any ideas for events in 2020 please let the management know.

Thanking Geoff for his help.

That's all folks.

My wife said she was kicking me out because of my obsession with

I said *"OK I'll fetch the suitcase from the van"*
